Positive Feedback

"I will be passing Krystal's information on to the next coordinator. We **WILL** be choosing your company next year for our additional request needs. Thank you again for your sales support and personable service."

- **SSgt Dougherty, Des Moines IA**

"Very professional and great attention to details. I placed multiple orders!"

- **Mike Elam, Pahrump, NV**

"Thanks for being there for us! Keep up the good work! Words can't describe how much we appreciate your service and quality!"

- **Bob Sukel, Medina, OH**

"My interactions were seamless. Although I am not returning as an LCO I've highly recommended HDI Wholesale to my successor."

- **Paul Gunther, Germantown, MD**

"I have dealt with Nancy Bear and HDI for a decade. I have never had any problems with product or customer service. Working with HDI I have been able to get more bang for my buck. I used the Concierge Form, talked with Nancy, then placed my order over the phone."

- **GySgt Louise Slagle USMC, (Retired), Key West, FL**

"Shopping locally for all our toys can get very expensive so we rely on HDI to help with our budget.

I tell Nancy what type of toys (ages) I need, and she always fills my order to perfection. Working with Nancy is one of the highlights of the campaign! The older kids are a challenge to shop for and I appreciate HDI's selection. I always work with Nancy over the phone."

- **Marylou Brewster, Great Falls, MT**

"Scott and the team have great customer service. I can call them, and they are always there to help when needed."

- **Rowena Martinez, Alamosa CO**

*"I've been using HDI as my main wholesale source for toys for close to 15 years and I've tried many of them. The main reason I do is **value**. I am a severely frugal shopper. Of all the catalogs I get, their prices seem to be much more **wholesale prices** vs. vendors who seem to offer more of a discounted retail rate, which is higher across the board. And if I shop when they're freshly restocked, the selection is excellent from **babies to teens**. It's also extremely convenient that they let me order when their warehouse is packed but my warehouse doesn't have room and they will pull my order and **store it for me** until the date I tell them I want it shipped. It's not taking up my valuable space until I need them, but I also don't lose out on having to wait to order due to space concerns. And as a bonus, it certainly doesn't hurt that my contact, Nancy, is **fantastic to work with**. She knows me, my program, what I like to order and when. And in the press of the last days of a campaign they can get me a shipment of toys in just a couple of days after I make an order."*

MEET OUR TEAM

Sara Depies - President

I'm so excited for this year's Campaign. Being President of HDI Wholesale is such a rewarding job. We have an amazing team working together for our non-profit customers who really do make the world a better place. I'm honored that I get to be a small part in all the good work you do. Last year was the first campaign in our brand new warehouse. It was so great shipping your orders from here. We have expanded our Wish list Program to help coordinators reach more supporters to buy toys you want.

Anne Blaedow - Vice President

Our connection with the mission of Toys for Tots runs deep, and we are committed to sourcing high quality toys to make children's lives better at the holidays. Toys are children's tools for learning about the world around them. We are proud to help your fund-raising efforts go farther and reach more children this Christmas. We thank the volunteers across the country that make this program happen, and vow to make their job easier with our excellent customer service and easy purchasing options.

Nancy Bear - Toy Specialist

This is my 27th campaign working with Toys for Tots. I am honored to work with so many individuals that make Christmas a Magical Holiday for so many children throughout our country. I am inspired by the dedication of each volunteer that helps makes this happen. Your hearts couldn't be any bigger.

To all of you, I dedicate my customer service and toy knowledge to help make your buying process an easy one.
